

MY SISTER GRENADINE
Tec Rider

Line-up:

Vince Kokot:

- Ukulele (nylon strings, no pick-up)
- Acoustic Guitar (nylon strings, no pick-up)
- Vocals

Andreas Neumann:

- Clarinet
- Bassclarinet
- Electronics (including small mixer and two active speakers as output source in unplugged setting)
- Vocals

always NEEDS:

- 1 table for electronics on stage (ideally 120 cm wide, 50 cm deep, 100 cm high)
- 2 electric plugs on stage

1) Unplugged / small venue:

In spaces with a good acoustic and less than 30 square meters in total size we will perform completely unplugged/without PA. We might also use the room sometimes instead of the stage.

2) Plugged / from medium- sized venue:

In spaces larger than 30 square meters we need:

- PA
- mixing board
- monitoring (ideally)
- xlr cables, 4 mic stands
- 2x singing mic (SM58 or better)
- 1x instrument mic for ukulele / guitar (SM57 or better)
- 1 x instrument mic for small instruments and possibly clarinet/bass clarinet (SM57 or better)
- optional: 2 overhead mics for picking up the complete stage sound

offstage: 1 table for merch

Please calculate enough time for a relaxed and focused sound-check before the get-in of the audience as well as enough time between having food and the start of the concert.

Thank you! :)
